⁴⁴² Por error, apareció dos veces la referencia a la cita bibliográfica, y la numeración no se puede cambiar en ediciones futuras para no confundir a los dueños de la primera edición. De manera de no incurrir en publicidad engañosa con el conteo de datos freak señalado en la portada, acá va uno extra, una buena anécdota que no hubo como hacer caber en el relato:

La escena "you are so money" de *Swingers* fue grabada sin permiso de filmación, mientras la policía les exigía la documentación. En vista de que carecían de los permisos, extendieron la conversación con el oficial para alcanzar a rodar. De hecho, es posible escuchar los sonidos de las sirenas: <https://www.youtube.com/watch?v=ZlEXOzC6vqE>

Alex French And Howie Kahn. "So Money: An oral history of Swingers". Grantland, 22 de enero de 2014 <http://grantland.com/features/an-oral-history-swingers/> "A state trooper comes by and asks, “What are you doing here?” And we say, “We’re in a convoy, we’ve lost some of our trucks so we’re just waiting.” So he says, “OK,” and takes off and we set up and start shooting the shot in the convertible. It was John and Vince talking, on the side of the highway, against the desert, with trucks going by. It’s the “You were so money and you don’t even know it” scene."
